

## **Maker Corps Member**

### **RESPONSIBILITIES:**

- Join a national program, [Maker Corps](#), at a local site, Co-Op Summer Enrichment Program in Mamaroneck, NY
- Co-design and co-lead a program block for children grades 1 to 5 with the goal of engaging the kids in projects that leverage creativity and making for the purpose of design and innovation
- Document the Maker Corps work with resources such as blogging, Instagram, and Facebook and writing articles for the local newspapers
- Collaborate with a national network of Maker Corps Members including participating in online training, accessing shared forums and connecting with other Maker Corps sites in our region
- Co-create a personal project with the other Maker Corps Member that serves as a model of a design solution and innovations work for the Co-Op students
- Co-lead at least one community exhibition of the Maker Corps work at Co-Op in order to share the students' ideas and work with the public
- Supervise and assist children in all of their activities with the goals of:
  - Promoting collaboration among children & staff
  - Establishing a mutual attitude of caring among all children & staff
  - Assisting children with acquiring new skills during their program blocks
  - Infusing all activities with fun
- Participate fully and with enthusiasm in all orientation week training sessions
- Serve as a role model for children by:
  - Arriving on time and fully ready to participate
  - Working as a team member with other counselors, assistant counselors and staff
  - Taking joy in learning new things with the children
  - Supporting a drug free, screen free, healthy environment
- Eat lunch with your assigned group, supervise their behavior in the lunchroom and promote positive free play during recess
- Enforce the highest level of safety for children at all times including

### **REQUIREMENTS:**
