

# Support Co-Op Summer Enrichment

A **STEM** Alliance Program

*Here's how we put your donations to work!*

A music lesson for a child to provide new creative experiences

\$25

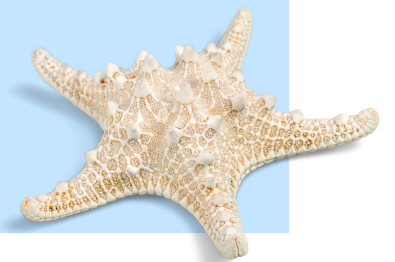

Camp spirit via 2 Co-Op t-shirts for a camper

A handcrafted wooden shield for a camper to display their awards

\$50

Cost for 1 child's field trip to the Maritime Aquarium Science Cruise

Swim instruction for 1 child throughout the summer

\$100

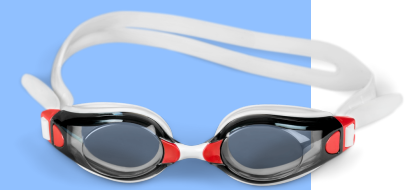

New board games to teach strategy, taking turns & competitive fun!

Special programs for our youngest campers from the Aquarium & Liberty Science

\$250

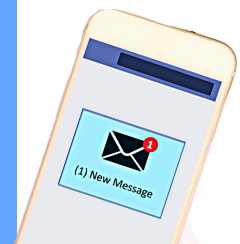

Swim belts & dive targets to help campers become independent swimmers

Athletic equipment to enhance our obstacle course, ball sports & more!

\$500

Our bilingual texting service to keep families informed

Supplies & lunch to celebrate the last day of camp with Color Wars!

\$1000

Extra summer fun with face painting, Super Hero Day & ice cream bombing

First Aid training for young adults & educators to create high-level safety for all

\$2500

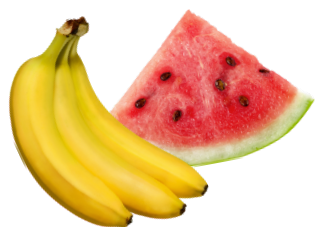

Full summer tuition for a camper - 1 of 25 kids who may need full scholarship

Preseason swim program to give nonswimmers a boost toward independence in the pool

\$5000

The salary for one certified lifeguard for the entire summer

Healthy snacks for all children, all summer

\$10,000

STEM & make-and-take art supplies to encourage learning & creativity

The cost of all summer field trips to provide the joy of adventure!

\$25,000

The cost of a shuttle bus to ensure campers get to the Hommocks pool for regular swim lessons
